Honorary Secretary.

PUBLIC WORKS DEPARTMENT.

MYSORE DIVISION.

Notification dated 17th July 1938.

Notice is hereby given that sealed tenders will be received in the Office of the Executive Engineer, Mysore Division, Mysore, upto 2 P.M. on 22nd August 1938, for repairs and improvements of the following sections of Roads in Mysore District, for two years from 1st July 1938.

1. The approximate loads for metals, gravel and position of the quarries as existing at present and specifications for work and conditions of contract may be seen at the Executive Engineer's Office, Mysore Division, Mysore, between the hours of 11 A.M. to 5 P.M. on working days. Information regarding prevailing rates for any item of work for any section will also be furnished if desired on payment of Rs. 2. Prevailing rates will be taken into consideration while deciding contract;

2. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer's Office on payment of Rs. 3. The tender should be accompanied by a statement in the form given below showing the rates at which different items specified will be executed.

3. The contract in each case runs for a period of two years in the first instance. The quantity of work to be done for the section depends upon the condition of the road and funds available and is not guaranteed.

4. The work should be done in a systematic and business-like manner as per departmental specifications and instructions of the Executive Engineer or his authorised representatives, *viz.*, the Sub-Divisional Officer and the section subordinates.

5. Tenders should be given for all items of works separately for each sub-section of respective sections. Tenders may be submitted for portions of a section also.

6. Each tender for each section must be accompanied by a deposit of Rs. 30 per mile for roads carrying an annual repair grant of Rs. 300 and above and Rs. 20 per mile for roads carrying lower mileage grant, as earnest money and be superscribed "Tenders for repairs of section..... .....of.....road," in default of which tenders will be rejected. This earnest money will be refunded only after the period for which the contract holds good and after satisfactory completion of works.

7. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

8. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond on 12 annas Mysore Government stamp paper, in default of which his tender will be considered as cancelled and his earnest money will be forfeited.

9. The name of the successful competitor whose tender has been accepted will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding acceptance or rejection of a tender will receive any reply.

10. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

11. Rates for non-tendered and non-estimated items shall be as per schedule of rates or as per rates fixed by the Executive Engineer from time to time which is usually based on data with contractor's profits not exceeding 10 per cent.

12. In all matters not specifically provided for in these conditions and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Superintending Engineer, Mysore Circle, Mysore, will be final and legally binding.

13. Rates must be entered in words as well as in figures and they must be in specific term of unit against each item of work. Any tender quoted at so much per cent less or more will not be accepted.

14. The contract will be treated as a piece-work contract and in cases of emergency it will be open to the Department to make other arrangements for speedy execution of work in the event of the tendered contractor's failure to execute the work satisfactorily. All losses on this account will be recovered from the tendered contractor who fails to carry out the works.

15. Preference first will be given to contractors who are already working on the respective roads satisfactorily.
